The vote assigned to each unit shall be in proportion to the floor square footage of said unit as compared to the floor square footage of the total of all the Units in the condominium. Such amendment shall require the approval of all holders of Security Interests in the affected Units, which approval shall be endorsed thereon. The Person executing the amendment shall provide an executed copy thereof to the Association which, if the amendment complies with the provisions of this Declaration and the Condominium Act, shall record it. e. All additions, alterations and Improvements to the Units and Common Elements shall not, except pursuant to prior approval by the Executive Board, cause any increase in the premium of any insurance policies carried by the Association or by the owners of any Units other than those affected by such change.

Unless the Executive Board determines, within thirty (30) days after receipt of the application, that the reallocations are unreasonable, the Association shall consent to the reallocation and prepare an amendment that identifies the Units involved on the Plats and Plans, states the reallocations and Allocated Interests on Exhibit B, and indicates the Association's consent. The amendment must be executed by those affected Unit Owners, and the approval of all holders of Security Interests in the affected Units shall be endorsed thereon.
